Zooms into CapTel 880i phone located on a counter, next to some books.

Narrator: “You won't miss a thing with the CapTel 880i captioned telephone thanks to the extra-large display screen.”

Close-up of the CapTel phone’s display screen with the words, “This is a Captioned Telephone. It is designed specifically...”

Narrator: “Specifically designed for people who need a larger font for easy reading, the CapTel 880i shows every word your caller says, letting you hear what you can and read what you need to.”

On the CapTel phone, a finger is pressing the “UP” and “DOWN” menu buttons, showing on its display screen, different font sizes ranging up to EXTRA LARGE.

Narrator: “You can personalize the text size and color to a style that is easiest for you to see.”

On the CapTel phone, a finger is pressing a button labeled “TONE”, showing that low tone, medium tone or high tone can be selected.

Narrator: “The hearing aid compatible handset and adjustable tone control amplifies voices loud and clear.”

For the built-in phone book, the CapTel phone’s display screen shows, for example, “John Dunbar 16086953170 03/14 05:02 PM”

Narrator: “The built-in phonebook and speed dial keys let you quickly access your favorite numbers, while the caller ID feature tells you who's calling.”

On the CapTel phone’s display screen, it shows “John Dunbar 16086953170 Ring!”

Narrator: “Plus, the built-in answering machine saves and displays every message missed when you’re away.”

On the CapTel phone’s display screen, it shows, for example, “just like captions for tv. The captions appear right on this screen just like these words you are reading right now! You can also change the size and...”

Narrator: “With OneTouch 24-hour customer support, help is available around the clock.”

On the CapTel phone, a finger presses a blue button labeled “CUST SERV”. Scene changes to show a friendly female customer support person speaking into her headset with microphone.

Narrator: “All you need is regular telephone service, a high-speed Internet connection, and a standard power outlet, and the CapTel 880i will make sure you never miss another word.”

Scene changes back to show the CapTel 880i on the counter next to books.
